

Parham Fair Contests

June 2015

Dear Staff,

As a former teacher I well remember those June days when I would be finishing up IEP's, report cards, packing up, cleaning up ... and managing a group of students keen for their holidays to begin! One of my favourite 'year end' tools was the local fair projects list. I would share the available contests with my students and have them complete entries for a number of areas. They liked the choice, the possibility of earning 'fame' in their community, and the time to putter away at crafts and creative projects with their friends.

With that in mind I offer the PARHAM FAIR BOOK for your use with your classes. All of the contests for children/youth are also organized in the 'Kids' section of our webpage. Our website www.parhamfair.ca features pages for each grade level to let you and your families know what contests are set for each age group. There is also a contest (advertised inside the front cover of the book) to select the artwork for next year's book.

Attached to this note is a blackline master that could be used to communicate with families. It lets parents know that their child's project / craft would qualify for entry at the fair and gives them the particulars about how to do that.

I wish you a successful spring term with a satisfying 'wrap up' just around the corner. We appreciate all that you do for the children in our community. Soon you will be able to enjoy a much earned rest and we parents, grandparents and community volunteers will keep them safe and happy so they can return to you in the fall with many stories of their summer adventures.

Sincerely,
Wendy Parliament
Parham Agricultural Society

Your child's artwork / craft would qualify as an entry in the Parham Fair Palace Competitions for children and youth. For more information check out the Parham Fair website at www.parhamfair.ca . The 'Kids' section lists all of the contests available for each age / grade level.

Entries should be delivered to the Parham Fair Grounds on Thursday, August 20th between 5 and 8 pm. There is no cost for children to enter any competition and children 12 and under get free admission to the fair.

PARHAM FAIR – AUGUST 21st AND 22nd – GOOD FAMILY FUN
